- Graduation from high school or GED
- Four (4) years of experience in Network cabling installation or an equivalent combination of training and experience
- Ability to read construction blueprints
- Florida driver's license
- Qualifications may vary from the above requirements to such a degree as the Superintendent and Board determine is necessary and appropriate to ensure properly qualified personnel in each specialized assignment

Preferred:

Ability to install and repair Copper, Fiber and Access Control Cabling.

Physical Demands:

Heavy and moderate lifting, and carrying equipment weighing up to 50 pounds and exertion of force up to 100 lbs. Reaching above shoulder; working off ladders, manual dexterity for testing equipment; good vision; ability to distinguish basic colors; good hearing; walking; standing; bending; stooping. Drive and operate a motor vehicle. Office, exposure to noise associated with computer operation and exposure to electrical wiring and apparatus. Reasonable accommodations may be made to enable individuals with disabilities to perform essential functions.

Terms of Employment:

Approved Compensation Plan
Educational Support Salary Schedule

Job Benefits:

- Pension or Investment Plan provided by the Florida Retirement System (FRS)
- Personal and family health care plans available include medical, dental and vision
- Paid vacation, sick leave and optional personal leave
- Generous paid holidays. Holiday calendars for educational support staff closely follow the calendars used for education staff

Conclusion:

This job description is intended to convey information essential to understanding the scope of the job and the general nature and level of work performed by job holders within this job. However, this job description is not intended to be an exhaustive list of qualifications, skills, efforts, duties, and responsibilities or working conditions associated with the position.
